Hana Highway Resurfacing  
Paia Town to Hookipa Beach Park

TO ALL CONCERNED:

Maui Paving LLC would like to provide you an advance notice of our plan to resurface a portion of Hana Highway, Paia Town to Hookipa Park. Night work is required to expedite construction and minimize traffic congestion during the daytime hours.

The project is tentatively scheduled to start construction on February 5, 2018. The approximate completion date is July 5, 2018. The time of activity will be Monday night to Friday mornings from 8:30 PM to 5:30 am.

Work involves cold milling the roadway, reconstructing and resurfacing of the highway.

We understand our work may cause some inconveniences and we would like to work with you to minimize the project's potential impacts. Residents and visitors alike are asked to be patient due to longer delays in travel.

Motorists are asked to observe all construction signs and to use caution while driving thru the construction area.

We apologize for any inconvenience this may cause and thank you for your patience and understanding. With your cooperation, we will provide our community with the necessary road repairs in a safe and timely manner.

Please call Daniel Denton (808) 633-2242 or Robert Luuwai (808) 633-7019 for any questions or concerns.
